

Arrival and Opti Trailer Storage

Please unload all Optimists from trailers in the parking lots as directed by our volunteers. Please do not drive any cars or trailers into the dry sail area.

Smaller Opti trailers can be stored on the lawn surrounding the main parking areas.

Larger Opti trailers should be stored at McMichael's Yacht Brokers in Mamaroneck. Please see information about coach and support boat trailers for directions.

Green Fleet Boat Storage:

Sailors in green fleet should bring their boats to the west side of the main dock. This area will be marked accordingly.

Championship Fleet Boat Storage:

Optimists can be stored in several locations on LYC grounds.

- East and west wings of the main docks in front of the main clubhouse. Each section of dock has a capacity for eight boats (four on each side).
- The lawn in front of paddle tennis courts and the Pandemonium. Boats will be stored in rows as marked.
- Junior dock (at end of road past junior clubhouse). This dock has capacity for 80-100 boats.
- Dry sail area (proceed down road past junior clubhouse). Boats can be stored in empty spaces on sides of dry sail area (two per small marked spaces; four per large marked spaces). Please make sure the road to the work/fuel dock and junior docks remains clear at all times.

Check-in:

Check-in will be at the Junior Clubhouse. Here you can verify your registration information, pick-up and return the safety forms (self-certify for R/W/B and inspection for Green) and receive the Sailing Instructions. There are no measurement requirements.

Opti Launching:

- Boats stored on smaller docks should be launched right off the dock.
- Boats stored on the lawn can be launched off the Main Dock (sailors will need to lower their sprits in order to bring dollies down the main ramp).
- Boats stored in the dry sail area should launch off the junior docks or fuel dock.
- Dollies should be removed from the docks after launching. Sailors should label their dollies so they can easily locate them after sailing.
- Launching on race days will be as provided in the Sailing Instructions.
