Rules & Guide for Visiting Yachtsmen Celebrating Yachting Since 1880

We are pleased to have you visit Larchmont Yacht Club. Moorings are available to guests of Club members and to members of recognized yacht clubs. During your stay, we hope you will enjoy our facilities and community. This guide will provide general information about our facility, procedures for guests, and services you may need. Please ask at the Front Desk if you have other questions.

Larchmont Yacht Club was founded in 1880 and is one of the oldest yacht clubs in the United States. We are an active, year-round family club featuring cruising, one-design and frostbite sailing along with swimming, tennis and paddle. Our adult and junior programs are the largest member-only programs on Long Island Sound. The Club has been housed in this beautiful building since 1888.

Since 1896, the Club has hosted Larchmont Race Week, one of the oldest race weeks in the United States run by a single club. The sailing roster in 1896 included names such as Vanderbilt, Morgan, and Belmont, whose yachts were well over 100 feet long. It is one of the few race weeks with starts for PHRF cruising boats, one-design sloops, and junior sailors, all under the same event banner.

THE USE OF CLUB FACILITIES AND MOORINGS IS AT YOUR OWN RISK. LARCHMONT YACHT CLUB ASSUMES NO LIABILITY FOR USE OF ITS FACILITIES.
